## SINGLE TIER EXPRESS CART

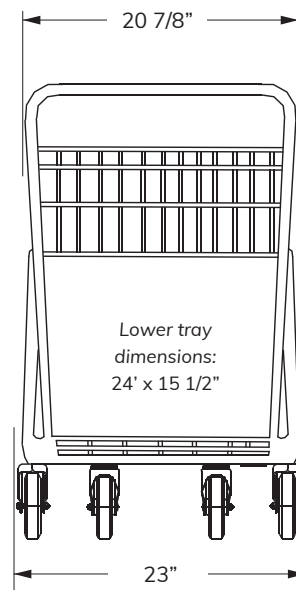

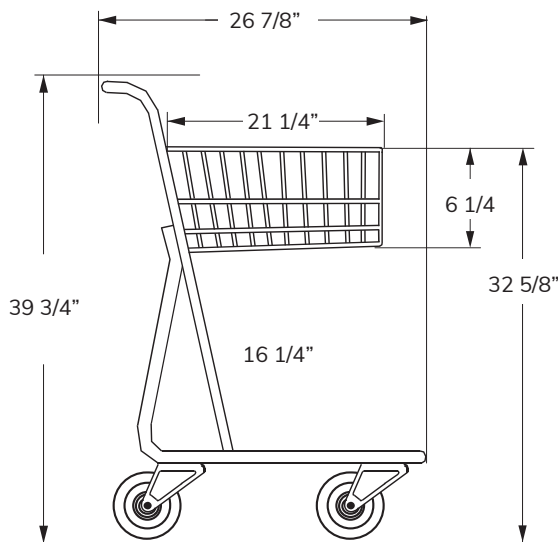

The single basket Convenience Cart features a purse hook, expanded lower tray for bulk product such as toilet paper, cases of wine, large boxes, etc. and a rear small goods basket for additional storage.

Double-rim wire construction eliminates sharp edges at all touchpoints around the basket while adding rigidity and strength.

A spring-loaded lower tray allows larger items to sit flat and prevent the items from falling off while still being able to nest.

The welded child safety warning placard eliminates the chance of missing labels and helps reduce child accident liability.
