MEDIUM METAL SHOPPING CART

Medium size cart is the perfect scale for any retailer. Narrow enough to fit most aisles.

Double-Rim Wire Construction eliminates sharp edges at all touch-points around the basket while adding rigidity and strength.

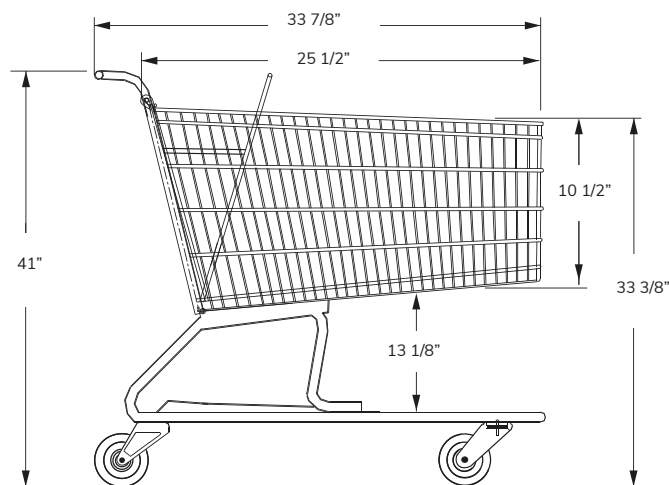

Welded Lower Tray means less maintenance, less rusting and quieter cart operation in store.

Forever Secure gate design ensures the gate assembly that holds the child can never fall off, or out of the cart.

Gravity-Drop Seat Frame ensures a smooth and effortless closing of the child seat when the gate closes, significantly reducing the chances of seat belts and components getting tangled in the operation.
