

Flexicart®

STACKABLE ROLLING BASKET

Ultra resistant single-piece structure with integrated handle made in shock-proof polypropylene. This stackable space-saver is easy to clean and features a hook for bags.

With its generous capacity, retailers have seen sales increase up to 40% compared to standard models of wheeled baskets and up to 60% compared to hand baskets.

Unique design prevents dirt from stacking and blocking the wheels. Twin front wheel and rear fixed wheel configuration enables 360-degree rotation.

Designed and produced in Italy. 100% recyclable.
