## E-COMMERCE TOTE

Stack and Nest tote features molded-in handles for easy handling. Can be used for customer "Go Backs" or for dotcom curbside shopping operations.

Totes nest together tightly when not in use, but can be stacked on top of one another when loaded. Stacked totes lock together to keep from shifting or falling when transporting.

Can be utilized on shopper carts or mass transit dolly systems.

Available in blue or black. Custom colors available in orders of 500+.

Totes can be labeled with RFID tags or barcodes to help in picking operations. Hot stamping of branding also available.

### DIMENSIONS:

- 24" L x 16" W x 12" T
- 1.75" nesting distance
