

KNS235C

TWO SHELF STOCK CART WITH FENCES

23" x 35" rolling table transport cart is designed to move product to and from the sales floor with a fence on four sides to keep items secure.

- Rolling table provides a large flat workspace
- Dual solid shelves
- Two swivel wheels/two rigid and a handle makes it easier to maneuver over long distances or uneven/non-level floors

OPTIONS:

- Frame available in any color finish or texture
- P&H Super Wheels (exceptionally quiet, longer lifespan, added durability)
- Rear swivel or rigid caster options

Total Capacity
1,000 lbs
