

OAU300BE

PALLET CAGE

A knockdown fixture that grows sales during the day and can be secured at night. Eliminates the need to bring in outdoor display pallets at closing, saving hours of labor. Heavy-duty steel construction, built to last for years.

The cage is designed to be lagged into concrete and comes with locking locations on the roof and front bi-fold doors. Doors open during the day to allow for easy product access. Includes two attached sign holders that will hold 11.25" x 14.25" signs.

PRODUCT SPECIFICATIONS:

Overall Size: 50" W x 55" D x 60" H
