U-BOAT SHELF

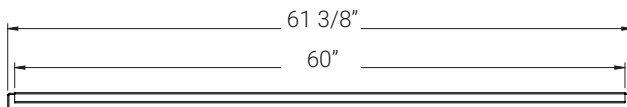

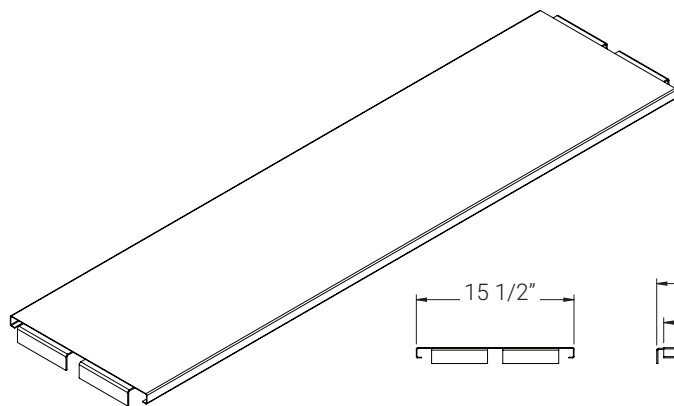

SHELF ONLY (U-BOAT SOLD SEPARATELY)

The U-Boat Shelf is a versatile add-on designed to increase the carrying capacity and organizational flexibility of your U-Boat carts. Available in 48" or 60" lengths, these shelves integrate seamlessly with Light Duty, Standard, and Heavy Duty U-Boats, creating multiple tiers for efficient transport of boxes, totes, and merchandise.

Each shelf is removable and easily adjustable, allowing users to configure multiple levels to suit different load types and sizes. Whether loading back-of-house inventory, restocking sales floors, or transporting goods from receiving to storage, U-Boat shelves help streamline material handling and improve productivity in demanding retail and warehouse environments.

Made in the U.S.A.
